Keagungan Village, Taman Sari District, West Jakarta, Jakarta, Indonesia, Jalan Ketentraman No. 27, Postal Code 11130

I'm a highly motivated 5th semester Informatics Engineering student specializing in programming and UI/UX design. I have a proven track record of creating functional and aesthetically pleasing software solutions. With a blend of technical skills and creative design, I aim to enhance user experience through innovative projects. My goal is to become a professional who delivers user-friendly and cutting-edge digital products.
